

Balloon & Twist Course

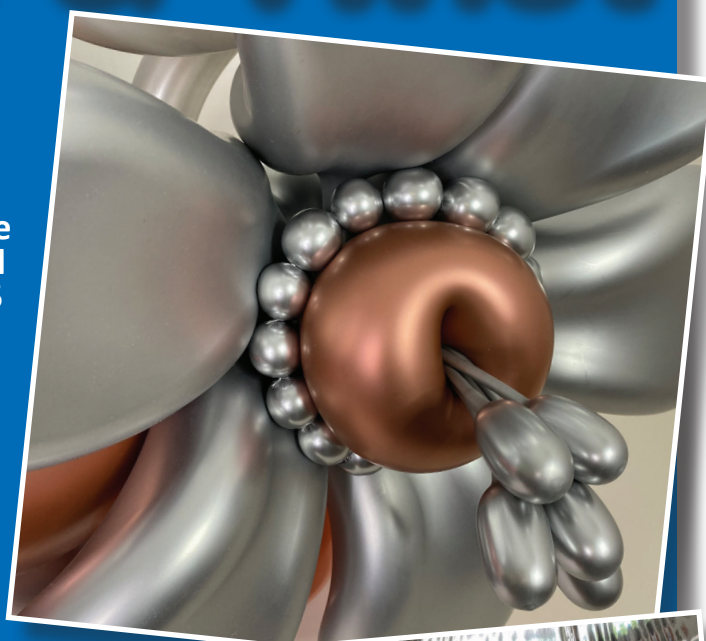

This is a one day Balloon Twisting course with accomplished Nabas approved trainer Fiona Eagle with more than 25 years experience.

Please join her in our 'intro to balloon twisting for decorators' course, where you will learn all of the elements that will get you started in adding value to your designs.

Techniques covered will include, pinch twist, ear twist, loop twist, shock twist, candy cane, a range of flowers, (including distortion if time allows), string of pearl bubbles, curly whirly, and a balloon fairy. All culminating in a mini marquee design.
